Taking practical Sustainability action in towns

Award-winning
national examples of
towns taking action

Somerset County
Council and the
Transition movement

Sustainable Axbridge
Network's efforts in
tackling climate change
& peak oil

Book your place now — see over

This Network Event will focus on how towns can take practical action to become more Sustainable and make them more resilient to energy and food supply issues.

SMTF Member Axbridge Town Council are hosting us. After our short AGM, there will be presentations and time for discussion and experience sharing, as well as networking over lunch.

Please note there is no tour of the town at this event, but there is an optional tour of the town's Museum. Please advise if you would like to join this.

Programme

9.30 Council Chamber open for coffee/tea.

10.00 AGM.

10.30 Network Event. Presentations from:
